This online group is intended to provide a forum for discussing project ideas, sharing best practices, and learning from one another's efforts and successes before and during the pilot.

Rotarians in the pilot districts can join the Future Vision pilot group. Rotarians in both pilot and nonpilot districts can find regular Future Vision updates at www.rotary.org and sign up to receive the free monthly newsletter, Future Vision Pilot News , by e-mail.

Program: Mark Dyer and Kent Smith demonstrated the Shelter Box from Rotary. It contains, among other things, a 10 person tent, ten sleeping bags and cooking utensils. It was quite a spread on the table. The box is sent to disaster areas. It went to the Katrina area in Louisiana and Biloxi Mississippi. It costs \$1,000 per box to build. Mark Dyer is one of the on call individuals who travel to the area needing assistance in setting up the tent and contents.
