Rotary International comments: Did you know, Itzhak Perlman, at age three, Perlman heard a concert on the radio and asked his father for a violin. Months later, he contracted polio and lost the use of his legs. He walks with crutches and performs while seated. Throughout his career, he's maintained a rigorous travel schedule, appearing at venues far beyond the concert halls of the United States and Western Europe. In 1987, he joined a groundbreaking tour with the Israel Philharmonic Orchestra in Hungary and Poland, and three years later performed in the orchestra's first concert in the Soviet Union. He toured China and India in 1994. Born in Tel Aviv in 1945, Perlman debuted at Carnegie Hall at age 17. Today, he's one of the world's best known and most honored classical musicians, often described as a "superstar." He's garnered four Emmy Awards and 15 Grammy Awards, and a Lifetime Achievement Award in 2008.

Important, Fellowship was such a success last month that we are doing it again on November 4th at The Sweet Spot. See you there after 5:30 pm. See you there and bring a friend. Thanks to Randy Womack for his generous hospitality.
